REASONS FOR ALLOWANCE

Application and Claims Status

1. Claims 1-11 are currently pending and are under consideration in this Office Action.
2. The following is an examiner's statement of reasons for allowance:

The instant claims are allowed for the reason that the cited prior arts does not teach or fairly suggest the structural feature of the presently claimed device, i.e. a display apparatus comprising *"a key input part generating a color change execution signal for the input image signal by, manipulation of a user; and a controller modifying a voltage level value of the input image signal and transferring a modified input image signal to the scaler, if the input image signal transferred to the scaler is identical over a predetermined period of time, after receiving the color change execution signal from the key input part"*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
